SPECIAL MICROFORM OFFER

Microfiche and microfilm editions of AGU publications are now available. The microfiche edition of an issue will be mailed via First Class Mail approximately one week after the printed issue is published. Microfilm editions will be published early the following year.

Supporting material for some articles in the printed issues is only published in microfiche form, available on order. In the microfiche edition, this supporting material will be included.

The fees listed below include a royalty free license to make enlarged copies for internal distribution of material from the publications ordered.

At the end of 1970, microfilm editions of the 1970 journals will be available at the rates below; these also include a royalty free license for 1970.

ORDER FORM

Please enter our order for the microfiche editions of the following 1971 journals which will be sent to us as each issue is published :

- | | |
|---|--|
| ☐ JOURNAL OF GEOPHYSICAL RESEARCH @ \$95 | ☐ EOS @ \$15 |
| ☐ WATER RESOURCES RESEARCH @ \$35 | ☐ REVIEWS OF GEOPHYSICS
AND SPACE PHYSICS @ \$20 |
| ☐ RADIO SCIENCE @ \$45 | |

Please enter our order for the microfilm editions of the following 1970 journals which will be sent to us when the volume is complete, and enter a standing order for subsequent years.
